FOREWORD

Each individual at Longmeadow High School is a vital part of our school. This yearbook is a record of these individuals and their achievements. The one hundred eighty-three seniors, the teachers, and all others at our school have contributed something good and worthwhile of themselves to make Longmeadow High School a fine school.

Thus, the theme of the 1964 MASACKSIC is individuality.

Longmeadow High School

Longmeadow, Massachusetts

EDGAR G. CRAVER
Principal

DEDICATION

"The purpose of a high school is to help each student discover his abilities and talents and to motivate him toward further success as an individual." These are the words of a man we all know, respect, and honor, Mr. Craver, principal of Longmeadow High School.

As a football coach guides a young and energetic team toward higher goals, so Mr. Craver heads our school, guiding it toward greater achievement. The new addition to our high school, the organization of the faculty council, and the creation of the language laboratory give testimony to the administrative abilities of our principal.

But to us, Mr. Craver is more than an able administrator; he is our friend. His warmth and sincerity are felt by all. Either in a light conversation or a serious discussion, our principal imparts to each student the feeling of friendship which is so vital to the spirit of our school.

Mr. Craver feels that Longmeadow High School should present to each student the means for acquiring as much knowledge and appreciation for knowledge as possible, rather than merely to prepare him for a college education. This is the worthy goal of a worthy man.

The Craver family enjoys a pleasant evening at home.

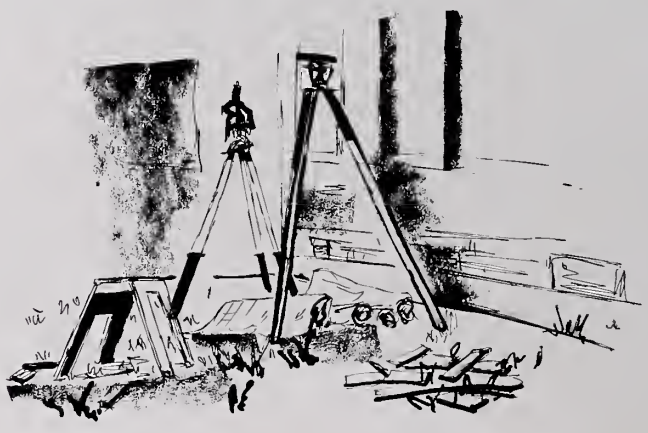
EDUCATIONAL FACILITIES EXPAND UNDER SCHOOL COMMITTEE GUIDANCE

SEATED: Herbert M. Galdstein; Rene H. Bachand, Business Manager; Dr. Robert D. Russell, Superintendent; Mrs. Charles W. Carter, Chairman; Mrs. Russell P. Dale, Jr. STANDING: J. Robert Montgomery; Irving A. Quimby.

The School Committee is the policy-making board of the Longmeadow School System. Under the chairmanship of Mrs. Charles W. Carter, the Longmeadow School Committee endeavors to scrutinize the problems and needs of young people in Longmeadow. They make estimates as to yearly student enrollment and classroom needs. This organization is vital to the administration of our daily school life.

Regarding her responsibilities, Mrs. Carter stated, "In the basic philosophy of the Longmeadow School System, we accept the fact that each pupil is an individual and try to provide a climate in which each person can develop his or her intellectual, creative, and mechanical abilities to his own degree of fulfillment."

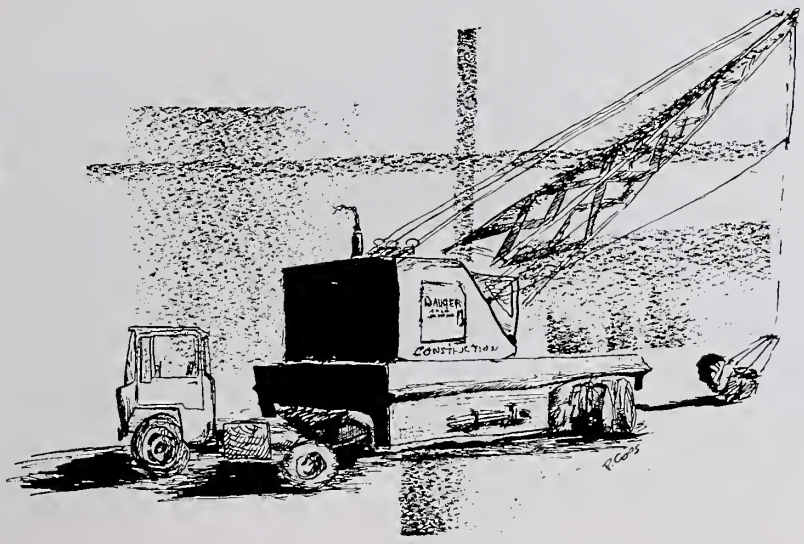


SUPERINTENDENT SEEKS QUALITY EDUCATION IN OUR SCHOOLS

DR. ROBERT D. RUSSELL
Superintendent of Schools

An ever-improving school system such as ours in Longmeadow needs a dynamic leader. Such a man is Dr. Robert Russell, superintendent of schools, who came to Longmeadow two years ago. In spite of his relative newness, Dr. Russell continues in the tradition of constant change and experimentation to make our school system equal to the best in the country.

Emphasizing the growth of the individual, Longmeadow begins in the elementary schools to provide a wide variety of courses, to keep the classes small, and to give each student personal guidance. These programs are continued through junior high school where students also have the opportunity to participate in a wide range of extra-curricular activities. A cooperative program with Trade High School is added to our own variety of course offerings, a well-organized guidance system, small classes, and many extra-curricular activities to better enable each student to find his forte. Dr. Russell feels there is still room for improvement; even now he is planning further changes to enable Longmeadow students to receive an education which best fits their individual talents and needs.

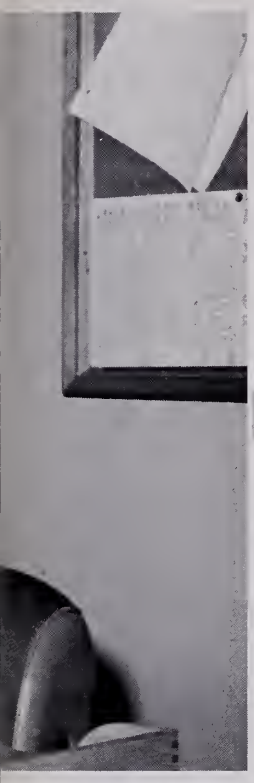


FACULTY COUNCIL CONTINUES TO CO-ORDINATE FACETS OF SCHOOL

FRONT ROW: Danald T. Fuller, Miss Onoita MocIntyre, Edgar G. Craver, Miss Lillian Erickson, William A. Dexter. BACK ROW: Robert Ness, Jahn M. Hoskell, Angelo Teixeira, Olivio A. Lopes, Robert D'Agastina.

The Faculty Council was organized in 1961 to maintain a close relationship between students, teachers, and the administration. Although the student enrollment at Longmeadow High School has increased yearly, the identity of the individual teacher and student has not been lost. Through the department heads who compose the Council, the teachers can express their thoughts concerning curriculum and can recommend changes that will help the students. Thus the Faculty Council continues to represent the interests of the various areas of our educational program.

NEW ASSISTANT PRINCIPAL ASSUMES DUTIES



In the fall we were happy to welcome Mr. Donald T. Fuller and his family to the town of Longmeadow where he assumed his position as our new assistant principal.

In addition to assisting in the day to day operation of the school, the assistant principal has the immense responsibility of maintaining the high standards of decorum long associated with Longmeadow High School. The co-ordination of all extra-curricular activities also comes under his direction.

Mr. Fuller's advice, encouragement, and congenial manner in this first year will be remembered.

DONALD T. FULLER
Assistant Principal

STUDENT COUNCIL UNDERTAKES NEW AND OLD PROJECTS

The Student Council is made up of an active group of elected individuals who undertake various school projects. For the first time this year the Council exchanged representatives with Enfield High School in order that both schools might gain newer ideas to aid in school government. Another innovation this year was the Get-Acquainted Dance held at East Longmeadow High School and sponsored by the student councils of both schools.

The Council undertook the selling of book covers, language lab tapes, and school sweat-shirts and jackets. It also organized various school activities such as the Halloween Dance, Playday, and the Talent Show.

In the late spring of every year the Student Council awards two $100 scholarships and in so doing completes a year of diligent work.

SENIOR CLASS ADVISERS AND OFFICERS LEAD SUCCESSFUL CLASS

CLASS OFFICERS
Jeff Lyman, president; Jim Purdy, vice president; Candy Rock, secretary; Nancy Lynch, treasurer.

The Senior Class Officers have had many responsibilities. They have led our class well through its most challenging and exciting year at Longmeadow High School. One of their many duties was the determination of Senior Class fiscal policy—class dues. In this way funds were made available for the senior banquet, the prom, and caps and gowns for graduation. Class dances and other activities were organized by the officers. The advisors, Mrs. Leab and Mr. Houle, aided the officers and offered suggestions at all class meetings. They also guided all class dances and other projects. The Senior Class Council was another influential force in our class government. Members, elected by each senior homeroom, met with the class officers to help organize class activities. The members were also responsible for the collection of class dues in their respective homerooms.

SENIOR CLASS COMPLETES SUCCESSFUL FOUR YEARS

Having finally attained the status of seniors, we, the Class of 1964, can think back over our last four years and remember the many changes and events which have characterized our stay at Longmeadow High School. In these seemingly four short years we have progressed from a confused, disorganized group of freshmen to a unified and individual senior class. We have seen the school grow and develop its own distinct character as well.

Some of the most important changes have occurred in administration. In 1961, Mr. Edgar G. Craver became our principal, and in the fall of 1963, Mr. Donald T. Fuller joined the faculty as assistant principal. The faculty was reorganized by the appointment of department heads for the various areas of the curriculum and the initiation of the faculty council.

We watched the transformation of Room 11 into a language laboratory, as the burden of remembering our tapes was added to our already heavy load of responsibilities. The addition of Spanish provided an escape for some from Latin and French. New courses in composition and math augmented our expanding curriculum.

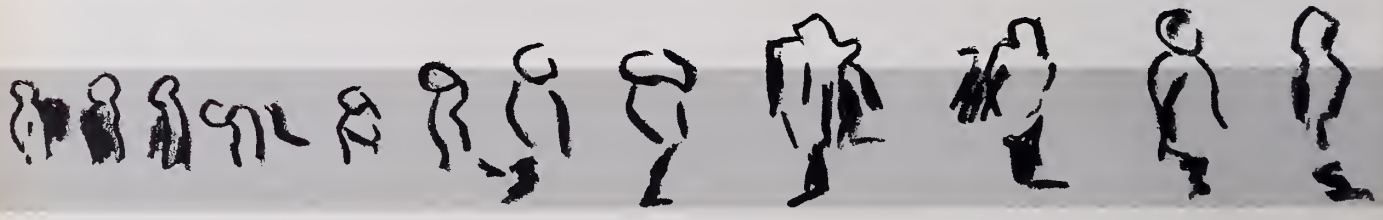
The formation of many new clubs brought together students of similar interests. To our already varied extra-curricular program were added the Great Books Club, Math Club, Spanish Club, Ski Club, Riding Club, Rifle Club, Future Nurses Club, and *Les Cuisinieres*. An especially popular innovation was the Lancer Paperback Bookstore which continues to provide a large selection for the faculty and student body. The wrestling, ski, rifle, and girls' swim team became parts of our school athletic program.

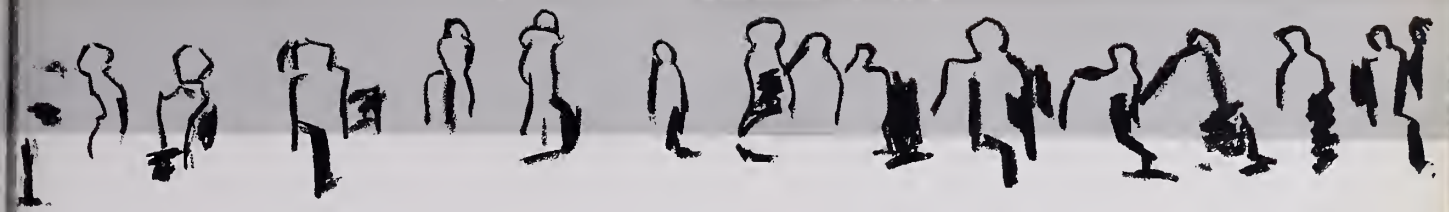
The Student Council, along with interested alumni, organized the Alumni Association. This will keep alumni up to date with their former classmates and with school activities. The *Jet Jotter* plans to publish an alumni bulletin annually.

Returning alumni will scarcely recognize Longmeadow High School at their next reunion. Because of overcrowded conditions, a comprehensive building program has been undertaken. More classroom space will make it unnecessary to hold classes in such places as the auditorium lobby any longer. Crowded situations will be relieved also by the construction of a new library and cafeteria.

Soon after the construction began in the fall, the school was evaluated by the Visiting Committee of the New England Association of Colleges and Secondary Schools. Twenty-seven educators from various schools were familiar visitors in every class for a few days.

The Class of 1964 has demonstrated many qualities which mark it as unique. The Lancer football team has achieved the extraordinary record of only two losses in the last four years and has finished two seasons undefeated. Our





class has the distinction of being the only class to make money on all of its dances. Although the fact is easily overlooked, we are the largest senior class in the history of Longmeadow High School.

With the help of our advisors, Mrs. Gladys Leab and Mr. Edmond Houle, we elected Jim Purdy, president; Jeff Lyman, vice-president; Pam Stone, secretary; Laurie Ronaldson, treasurer, as officers in our freshman class. In our sophomore year, Pam and Laurie retained their posts as Bob Mauterstock was chosen president and Jim, vice-president. Bob again headed our slate of officers as president in our junior year. Jeff Lyman was elected vice-president, Pam once more secretary, and Nancy Lynch became treasurer. Also this year Bob was chosen vice-president of the Student Council and Pam treasurer. As seniors we elected our most important officers: Jeff Lyman, president; Jim Purdy, vice-president; Candy Rock, secretary; and Nancy Lynch, treasurer. Bob Mauterstock and John Potter were chosen president and vice-president respectively of the Student Council.

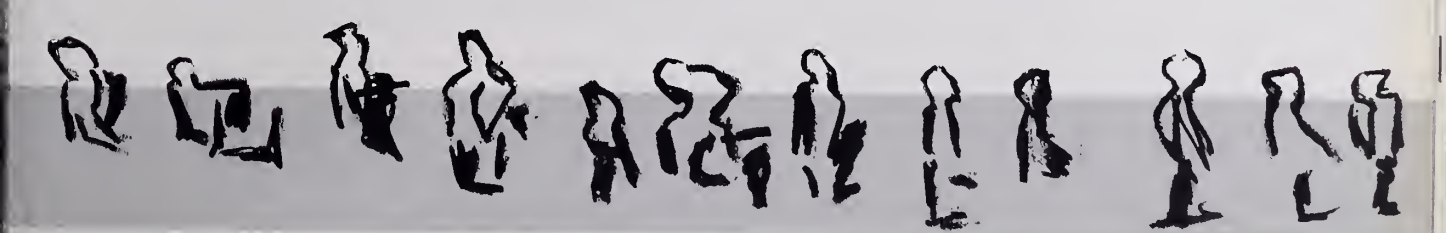
Bali Ha'i was the theme of our Junior Prom. Under the leadership of co-chairmen Candy Rock and Jeff Lyman, many contributed to making the dance a social and financial success. Amid the tropical setting, Bob Mauterstock and Candy Rock were crowned king and queen.

Some of the members of our class displayed talent in school productions. Margie Fox delighted audiences with her portrayal of Gladys in *The Skin of Our Teeth*. The outstanding voice of Sue Thompson and Jeff Lyman's flair for comedy greatly enhanced the performance of *South Pacific*.

The American Field Service chose Janet Goff, Chris Mudgett, Debbie Noone, and Jack Shandler as candidates. From the four, Janet Goff was selected to represent Longmeadow High School in Japan. This year we welcome Leela Krishnamurthy from India as our exchange student.

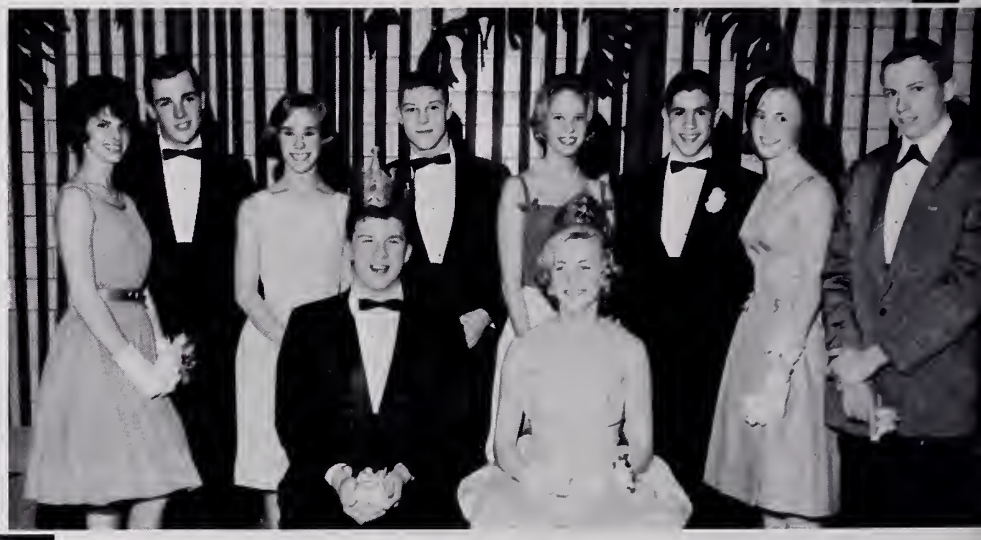
In the spring of our junior year, several of our classmates received awards honoring their achievements. The Radcliffe Book Award was presented to Margie Fox, the Brown Book Award to Jack Shindler, the Dartmouth Book Award to John Potter, and the Williams Book Award to Bob Mauterstock. Margie Fox was also selected as representative to Girls' State with Ann Gostyn as her alternate. Candy Rock was chosen to be a Governor's Aide at the Eastern States Exposition. Also at this time the positions of editors of our major school publications were announced. Margie Fox and Jack Shindler were to head the *Jet Jotter* Staff, and Ann Gostyn, Pam Stone, Wayne Trebbin and Chris Mudgett became editors of the *Masacksic*. In the fall of our senior year results of the National Merit Scholarship Qualifying Test were released. Margie Fox qualified as a semifinalist while eighteen seniors received Letters of Commendation.

Now, as each of us prepares to follow the course of his future, we remember the growth and maturity which we gained during our four years at Longmeadow High School. And hopefully we will use what we have learned here to further our individual development.



JUNIOR PROM PRESENTS ENCHANTING EVENING

An Evening to Remember



KING, QUEEN, AND COURT
SEATED: Bob Mauterstock and Candy Rock.
STANDING: Bonnie Smith, Jeff Lyman, Dee Dibble, Steve Baldwin, Linda Merriam, John Potter, Ann Jackson, Jim Purdy.

With *Bali H'ai* as the theme of the Junior Prom the make-believe island sparkled with exotic charm. The fountain and pool shimmered with excitement as the palm trees and orchids seemed to sway with the rhythm of Tony Ravosa and his band. Through the work of chairmen Candy Rock and Jeff Lyman and their committees, the prom ascended to the starry zenith of the evening—the selection of King and Queen. The crowns were placed by Mr. Craver upon the heads of Candy Rock and Bob Mauterstock. The success of the dance may be attributed to the valued aid of the faculty advisors, Mrs. Leab and Mr. Drossel. The Junior Prom will be remembered by all who attended the Pacific island soiree.

VOCAL GROUPS PRESENT ENTERTAINING PROGRAMS

MUSIC

The active music program of Longmeadow High School provides opportunities for young instrumentalists and vocalists to practice and perform together. The instrumental groups are open to all classes. The marching band provides music for football and basketball games. The dance band, a small group of talented bandsmen, plays popular music. The orchestra concentrates its efforts in a classical vein.

The most active vocal group of Longmeadow is the Lyrics, selected singers representing all classes. They perform at school functions as well as outside activities for which they are in great demand. By far the largest musical group is the Glee Club which was featured with the orchestra in a midwinter concert this year. Preparing for the Glee Club are the talented freshmen vocalists who compose the Freshmen Chorus.

The music organizations performed well at the traditional Christmas and spring programs. They also represented Longmeadow at the spring music festival held this year at the University of Massachusetts.

Senior Prom co-chairmen Ann Murphy and Jim Sagalyn, under the direction of Miss Erickson, organized their committees to plan and prepare the scene of a memorable event. The cafeteria was transformed into an ocean dock covered with buoys, lobster pots, and various other sea articles. An ocean-like breeze blew with soft swaying music. The evening will be long remembered by all who attended.

The 1963 Longmeadow football team was again recognized as one of the best squads in Western Massachusetts. The team fought to a fine 7 and 1 record while placing second in the Suburban League. Much of this success may be credited to the hard work of coaches Ursprung and Harris.

Led by co-captains Bob Mauterstock and Steve Baldwin, the Lancers opened their season with a solid 36 to 16 win over Enfield. Two weeks later an inspired South Hadley team beat Longmeadow 14-0. However, the Lancers showed their greatness by refusing to let the loss ruin their season and won the remaining games. Included in these were decisive victories over Ludlow and East Longmeadow.

Because of their hard work in all eight games, guard Joe Chiusano, end Mark Williams, and tackle Bob Mauterstock were elected to the All-Suburban League team.

The team next year, with experience gained this year, can expect to bring the Suburban League title back to Longmeadow.

DETERMINATION MARKS SEASON FOR TOUGH SOCCER SQUAD

FRONT ROW: Peter Leven, Jeff Lyman, Geargе Busby, Bab Chaffee, Harry Ehrlich, Alan Cowles, Rocky Adriance, Paul Rigali, Jahn Donahae. BACK ROW: Allen Harwood, Murray Leety, Bab Jaly, Carl Larkin, Gerry Nannen, Steve Mayer, Peter Miller, Sandy Paal, Dana Paige, Scott Baird, Mr. Suher.

Saccer Ca-Captains: Bob Chaffee, Harry Ehrlich, and Al Cawles.

The 1963 varsity soccer squad, coached by Mr. Suher, was characterized by determination and untiring team effort. A record of ten wins, four ties, and four losses topped any previous Longmeadow High School soccer record proving the team's capability.

The most exciting and rewarding game of the season was with Ludlow High School. Ludlow, unbeaten and untied in soccer this year until this game, met its match in our tough Longmeadow team. The game ended with Longmeadow toppling the future state champs 1-0.

This year our soccer team was selected to play in the Western Massachusetts Soccer Tournament. In this competition the squad beat its first opponent, Williams High School, 2-0. In the state quarter-finals, Longmeadow was defeated by West Springfield High School, 2-0.

In the post-season selections for the Pioneer Valley All-Star teams, Bob Chaffee was unanimously chosen as a first team fullback. On the second team, Murray Leety was selected for his expert ball handling. Harry Ehrlich, Alan Cowles, and Peter Miller were placed on the honorable mention list.

Next year, under the leadership of co-captains Peter Miller and Bob Joly, Coach Suher hopes for another successful season.

JUNIOR VARSITY FOOTBALL

Under the combined coaching skills of Mr. Burke and Mr. Ryder, the junior varsity football squad had a spectacular season. Winning all but one game, the team showed such tremendous ability that it was allowed to play in varsity games. Coach Burke and Coach Ryder noted Jeff Diamond, Jim Martin, Bart Frisbie, Bob Conti, Paul Homestead, and Al Gorrod for outstanding skill. Probably the greatest asset to the team this year was its strong defensive line. Toughened by practice with the varsity, the J.V. line was impregnable. With a successful J. V. season this year, Longmeadow High School can look forward to a winning varsity team in the future.

FRONT ROW: Bab Parsans, Bart Frisbie, Rass Appleman, Pepper Martin, Gary Tampane, Pete Graham, Paul Hamestead. BACK ROW: Mr. Ryder, Al Garrad, Jahn Farbess, Bab Canti, Jeff Diamand, Brian Margolis, Dan Ferris, Phil Schmidt, Mr. Burke.

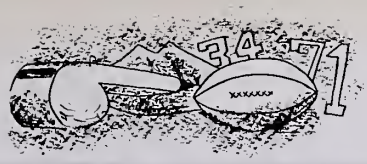
FRONT ROW: Daug Weeks, Stan Hain, Bernie Kaplan, Dan Fisher, Jahn Peverly, Jim Hyfantis, Jeff Licht. MIDDLE ROW: Mr. Ryder, Bill Squires, Gary Dianise, Steve Ramanka, Mike Sweeney, Tam Haberlin, Paul Sneider, Larry Berkeley, Mr. Burke. BACK ROW: Paul Revelle, Henry Rigali, Pete Chaulk, Ed Lawe, Peter Squire, Jim Grimaldi, Ken Cahen.

This year the freshman football team showed a record of three losses and one tie. However, according to the coaches, Mr. Burke and Mr. Ryder, several boys developed into potential stars. Among these were Don Fisher, Larry Berkely, Gary Dionis, Ken Cohen, and Peter Chalke. As a whole, the team showed marked improvement as the season progressed and can be expected to have a better record in J. V. football next fall. Credit is due to Coach Burke and Coach Ryder for teaching the boys the necessary skills for future years in football.



JUNIOR VARSITY SOCCER

FRONT ROW: Jahn Carpenter, Jae Stathert, George Lagassa, Bab Busby, Barclay Macan, Ed Merriam, Jim Sullivan, Clint Paige, Narm Patten, Greg Dawsan. BACK ROW: Mr. Climo, Scatt Merrill, Pete Adriance, Calin Fuller, Paul Janes, Bab Lincaln, Jim Law, Lee Seabury, Bab Ranahan, Bruce Wilsan, Jahn Gushue, Bab Gaadhue, Mark MacDonald.

The junior varsity soccer team had a fine season which ended with seven wins, five losses, and three ties. Probably the most satisfying games of the year were the two played against Southwick. In these games the Lancers trounced the Southwick team 5-1 and 4-0. Against West Springfield our team again emerged with a smashing victory of 4-1. Coach Climo cited Barclay Macon, Norm Patten, and Lee Seabury for outstanding skill and stated that the entire team showed excellent promise for future varsity squads. Next year, members of this outstanding J. V. team will be rising to varsity level, and with the addition of these skilled players, the team can surely be expected to win the coveted Pioneer Valley Crown.

FRESHMAN SOCCER

Coached by Mr. Teixeira, the freshmen soccer team this year competed with several freshman teams in the area. Among the schools played were Kiley Junior High, West Springfield High, Windsor Locks High, and Suffield High. Coach Teixeira noted Mike Anziano, Jack Corcoran, Steve Matchak, and Lance Hartford as outstanding players and stated that the entire team showed excellent potential for J. V. and varsity teams in the future. The Lancers won a smashing victory in a set of games played against the Longmeadow Junior High All Star Team. In one game of this series, Freshman Dick Baron scored five goals against the All Stars. This year the freshman soccer squad has gained much of the skill needed to win honors in the future.

FRONT ROW: Murray Pearsan, Doug Marvel, Lenny Shatz, Chuck Wahl, Dick Baran, Art Fax, Jim Davenpart, Steve Matchak, David Gibsan. MIDDLE ROW: Jahn Rabertsan, Ed Merrill, Pete Darling, Peter Devine, Cappy Paale, Mike Anziana, Dan Blaam, Mr. Teixeira. BACK ROW: Dave Mastramattea, Lance Hartfard, Jahn Davis, Jack Carcaran, Raffe Sagalyn, Pete Rider, Tom Grace.

HOOPSTERS GAIN BASKETBALL KNOW-HOW

Chip Fosso, Wells Chondler, Jim Purdy, Phil Dolessio, Bruce McCullough, Bill Dyson, Woyne Donaldson, Jock Warner, Chuck Johnson, Clork Shattuck, Bob Joly, Don Ferris. KNEELING: Mr. Josselyn.

The varsity basketball team this year was involved in many exciting games. During the eighteen-game schedule, the team gained much experience for next year. The squad beat a very fine Chicopee Comprehensive team by one basket. Easthampton, the Valley Wheel Co-champion, could manage only a six point victory over the Lancers. Two hard-fought victories over arch-rival East Longmeadow were also included.

Aggressive center Jim Purdy added spark to the team in many of the games. Juniors Chuck Johnson and Clark Shattuck showed that they may be among the best in Western Massachusetts next year. Junior guard Bob Joly had the ability to stir up the team and start it on to victory. Seniors Chip Fossa, Wayne Donaldson, Bill Dyson, and Jack Warner completed their high school career this year.

Using knowledge gained from the games this year and the skills taught by Mr. Josselyn, the squad next year can be expected to have a fine record.

This year, coached by Mr. Ryder, the varsity hockey squad showed much improvement over the preceding season. Although playing in the tough Berry League, the Lancer team was regarded by all opponents as the hardest working squad in the league. Hard work and improvement earned such quotes from local newspapers as "ever dangerous Longmeadow," and the "most improved team."

Sparked by high scorer and best all-around player John Potter, the Lancers fought a season unparalleled in determination and spirit.

Coach Ryder noted seniors Murray Leety, John Donohoe, Tim Beaulieu, Bill Lincoln, Peter Leven, Bob Chaffee, and Don Greenwell for showing much determination and skill. "This team has been playing hockey in a top league for three years now," said Coach Ryder. "Although the boys have lost several games, their spirit has never failed, and they have remained the hardest fighting squad in the league."

With constant determination and spirits always high, the Lancer team won the admiration of its opponents, its school, and its coach.

JUNIOR VARSITY BASKETBALL

FRONT ROW: Mr. Jahnson, Mr. Stack. BACK ROW: Stuart Cohen, Alan Gorrod, Eddie Merriam, Rick Panto, Paul Janes, Fran Mirkin, Gary Tampane, Jan Law, Sandy Poal, John Farbess, Barclay Macan.

What does a losing season mean? To most fans and players it means disappointment. Our 1963-64 junior varsity basketball team completed such a season. However, the value of any junior varsity team does not necessarily lie in its record but rather in the training and experience which it gives future varsity players. The junior varsity basketball squad, composed of sophomores, while lacking polish, mastered the fundamentals of basketball through hard daily drill. Beginning with the first East Longmeadow game, the team showed a marked improvement in competitive skill. Coach Johnson believes that his starting five, Sandy Pool, Paul Jones, Fran Mirkin, Al Gorrord, and Barclay Macon, showed the greatest improvement and will be varsity material by their senior year.

FRESHMAN BASKETBALL

FRONT ROW: Jahn Peverley, Jim Grimaldi, Jim Warner, Bernie Kaplan, Phil Ryan, Harvey Bond. MIDDLE ROW: Mr. LaValley, Lauis Saphinas, David Gibsan, Mike Anziana, Dick Baron, Jeff Licht. BACK ROW: Lenny Shatz, Larry Berkeley, Pete Chalke, Mark Sullivan, Bill Squires.

The freshman basketball team this year had a highly successful season. In addition to having a favorable record, the freshmen displayed unusual ability. Highly accurate shooting was largely responsible for their overall record which included an unexpected victory over a previously undefeated East Longmeadow basketball team. Among the outstanding players on Coach LaValley's team were Bernie Kaplan, an aggressive and versatile player, Jim Warner, accurate with his shots and passes, and Bob Hollister, a tough rebounder under the boards. Coach LaValley feels that the outstanding traits of this ball club were its continual good-sportsmanship and success on the basketball court. Much of this talent will be found on varsity squads in the coming years.

VARSITY WRESTLING

FRONT ROW: Bruce Hobart, Paul Rigali, Bab Hozapfel, Eric Franklin, Phil Schmidt, Paul Schneider, Clint Paige, Steve Wilson, Bab Chalera, Henry Rigali. BACK ROW: Mr. Harris, Jahn Bultrucyk, Fred Hoekstra, Dave Blakeman, Dan Betcher, Bab Mauterstack, Wallace Weeks, Charles Arnald, Greg Dawsan, Steve Matchak, Jeff Chandler.

In their first year as a varsity team, the Longmeadow matmen compiled an enviable record of wins. Our wrestling team, comprised of twenty-six ambitious competitors, included such talented wrestlers as Bob Mauterstock and Wally Weeks, the co-captains, and Fred Hoekstra, a tough, agressive fighter. This team, while relatively inexperienced, included many underclassmen. Coach Harris, who started the sport in Longmeadow last year, feels that "wrestling will be one of the top sports in Longmeadow."

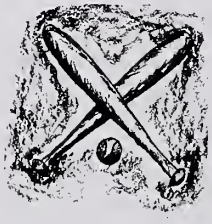
The Longmeadow Lancers added a ski team to their list of varsity sports this year. Coached by Mr. Homer, the inexperienced Longmeadow team began training in the fall.

Displaying remarkable improvement throughout the season, the squad, led by co-captains Gil Upson and Dave Sinish, took a decisive first place victory against Westfield, Holyoke Catholic, and West Springfield. In this important meet, Rick Whittey proved himself to be consistent as the top Lancer scorer by securing second place in overall competition.

Demonstrating enthusiasm, gaining experience, and improving faster than the coach anticipated, the Lancer team will undoubtly have a highly successful future.

FINE HITTING AND FIELDING DISTINGUISH LANCER SLUGGERS

FRONT ROW: Jim Toylor, Dick Bond, Don Greenwell, Steve Baldwin, Steve Porker, Bob Cohen. MIDDLE ROW: Gary Gibbons, Tom Donnelly, Ron Kuzon, Jim Finn, Chip Fosso, Gerry Nonnen. BACK ROW: Jim Purdy, Bob Russell, Bill Motulewicz, Bob VonGoosbeck, John Donohoe, Cooch D'Agostino.



Coach D'Agostino again guided the Longmeadow baseball team to a successful season with ten victories and five defeats. A powerful offense which compiled a total of 118 runs found strong support in infielders Don Greenwell and Steve Baldwin. Catcher Bob Cohen led the team with a batting average of .375, and outfielders Jim Finn, Tom Donnelly, and Steve Parker comprised the finest defensive front the Lancer team has ever had.

Longmeadow suffered a humbling defeat at the hands of arch-rival Classical, but emerged victorious in the second game with the Bulldogs. The team also made a commendable showing in defeating Ludlow twice, the second game terminated by an 8-0 shutout credited to pitcher Bill Matulewitz.

A prime factor for the success of the 1963 baseball season was the enthusiastic overall team effort. All fifteen members of the ball club actively participated to build a .236 team batting average, and the four pitchers shared the wins almost equally.

The six lettermen returning for the 1964 season will be joined by members of a highly successful junior varsity. This provides a promising team for the coming year.

In spite of a season with 2 wins and 12 loses, participants on the 1963 track team enjoyed a record smashing season, in which almost every record in every major event was broken. Two out of the five records broken occured in the running events. Chuck Adams in the 120 high hurdles was clocked in 18.1 seconds while Fred Reardon broke the 5 minute mile, with a time of 4 minutes 55 seconds.

In the field events, Bruce Sutherland far overshot the existing mark in the javelin throw, with a toss of 162′ 6½″. Mike Delaney made a leap of 5′ 8″ in the high jump. Bob Mauterstock consistently broke the shot-put record which he set last year, his furthest throw being 51′ 10″.

Other team members were worthy of note. Gary Hooper in the 220, Charlie Arnold and Don Ferris in the 880, Daryl Richter in the high jump, Steve MacNaught in the pole vault, Roger Siver in the discus and Bruce McCullough in the shot put will help to make the team more formidable in the future. 1964 should witness a vast improvement in the Longmeadow High School Track team.

The junior varsity baseball team turned in a record of nine wins and five losses at the close of the 1963 season. Coach Josselyn attributes this success largely to timely hitting and consistently fine fielding and pitching. Our victories over West Springfield and Enfield were the highlights of the season. Dave Blakeman, Fred Varney, and Brian Margolis shared the duty of pitching for the team, while Bob Joly did a fine job at shortstop and Brian Margolis, Bruce an Dolson, and Skip Plaisance had the highest batting averages. Members of this team gained much valuable experience and have a promising future ahead.

FRESHMAN BASEBALL

The freshman baseball team demonstrated fine hitting and fielding ability; however, it had difficulty combining both of them effectively in games. Under the coaching of Mr. Burke, these boys continually hustled at practices and showed a desire to improve. The team did accomplish one rare feat by being the only team to beat highly rated Chicopee. With the experience these freshmen gained, our junior varsity and varsity baseball teams will be well-supplied with talented baseball players in the future.

GOLF

The victorious season of the 1963 golf team was shown by an impressive record. The team, led by co-captains Dave Streeter and Craig Jackson, won ten meets while only losing one. Playing his best, each member contributed to the over-all team record. Mr. Lynch, coach of the golf team, said that the 1963 team had more ability than any six-man team it faced. Hard work and outstanding playing won for the team the Valley Wheel Championship.

FRONT ROW: Carl Larkin, Al Cawles, Rick Jacobsahn, Harry Ehrlich, Dana Paige. BACK ROW: Mr. Suher, Charles Jahnsan, Bob Lincaln, Myles Caaley, Jahn King, Jim Sagalyn, Chris Carlisle.

Two years ago Coach Suher predicted that the Longmeadow tennis team would beat the Classical Bulldogs. On May 28, this prophecy came true. In one of the closest games of the season, the Lancers toppled their arch-rivals with a score of 5-4.

The team finished the season with a record of six wins and four losses in addition to reaching the semi-finals of the Western Massachusetts Interscholastic Tennis Tournament. Top players on the team were Myles Cooley, Chuck Johnson, and Carl Larkin. With the return of many of last year's veterans we may anticipate an even greater team for the '64 season.

LEADERS CLUB

The Leaders Club consists of girls and boys chosen for superior athletic and leadership qualities to assist during both physical education classes and intramural events. Practicing diligently morning and afternoon with advisor Mrs. Miller, the thirty-six girls perfected varied routines which always thrilled their audiences. The jet and white uniforms were an impressive sight as the team marched during half-time periods at home football and basketball games. With heads up, knees high, and arms swinging, the Drill Team contributed to the spirit of the entire school.

Their exuberant cheers raised school spirits and enthusiasm. Using their energy and imagination, these girls sparked our teams on to victory. With the Cheerleaders as a symbol of the best in school spirit, students can certainly shout, "We're from Longmeadow, and no one could be prouder . . .!"

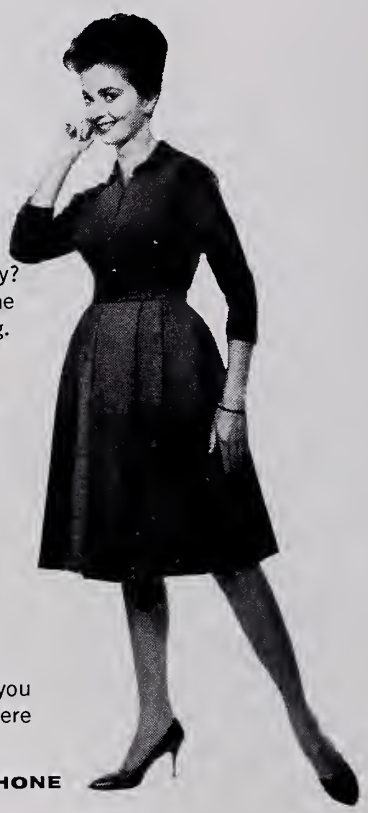
A TELEPHONE JOB OFFERS BOTH CAREER AND SOCIAL SATISFACTION



WITHOUT BREAKING STRIDE,

why not graduate from high school to the Telephone Company? You'll love the friendly young people who'll work with you, and the many social activities that make your work so pleasant and rewarding.

OPPORTUNITY IS EXCELLENT

and your ability will be recognized. Your starting salary should climb with regular increases. And, of course, Company benefits, security, and regular advancement are well-known reasons why working for the Telephone Company is so attractive to graduates.

TELEPHONE JOBS ARE IMPORTANT,

vital to the effective communications of the community, the nation, and the world. When you take your place as a respected member of the telephone community, we'll train you, on full salary, even without previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
